NAME:

Brothers Passport Initiative:

Earn Your Way to a Dream Holiday!

Earn stamps for completing tasks and win the ultimate prize—a luxurious 7-night holiday for a family of 4 to the breathtaking Shangri-La Yanuca Island, Fiji, including airfares and accommodation.

Follow these instructions to participate:

1. Explore the Sponsors

Take a look at the list of sponsors included in your Passport. These are local businesses that support Brothers Football Club.

2. Complete Tasks

Each sponsor has assigned a task for you to complete in order to earn their stamp. The details of each task are provided next to the sponsor's name in your Passport.

3. Earn Stamps

Once you've completed a task from a sponsor, present your Passport to them for verification. They will then stamp your Passport to mark your progress.

4. Collect All 16 Stamps

Your goal is to collect as many (ideally all 16) stamps by completing tasks from each sponsor. Feel free to complete them in any order you like.

5. Submit your Passport & enter the draw

Submit your completed Passport to the clubhouse by no later than 31st October, 2024. Make sure all stamps are clear and legible. The more stamps you collect, the higher your chances of winning!

6. Stay Updated

Keep an eye on our website and social media channels for updates on the initiative, including announcements of winners and additional prizes. The winner of the passport will be drawn on Friday, 1st November 2024.

7. Enjoy the Journey

Most importantly, have fun! The Brothers Passport Initiative is not only about winning prizes but also about engaging with our sponsors and community. Enjoy exploring new places, trying new things, and making memories along the way.
